ELEANOR SIMONSICK was the first woman to cross the finish line this year as she was last year. This year's time, however, was 2:53 faster than last year's winning time.

ROUNDING THE BEND from the bottom of Main Street in Annapolis onto Randall Street, the hoard of runners are still closely packed together. There were over 2,700 runners in this year's race, making the field the largest in the seven-year history of the event.

MAIN STREET has never been so crowded as it was for the 10 or 15 minutes it was a part of the course for the 10-Mile Run that has become a major event in the city. Runners covered the bricks from bottom to top for a long while Sunday morning.
