

CLAPPER CLIPS A

BY GEORGE BANKER

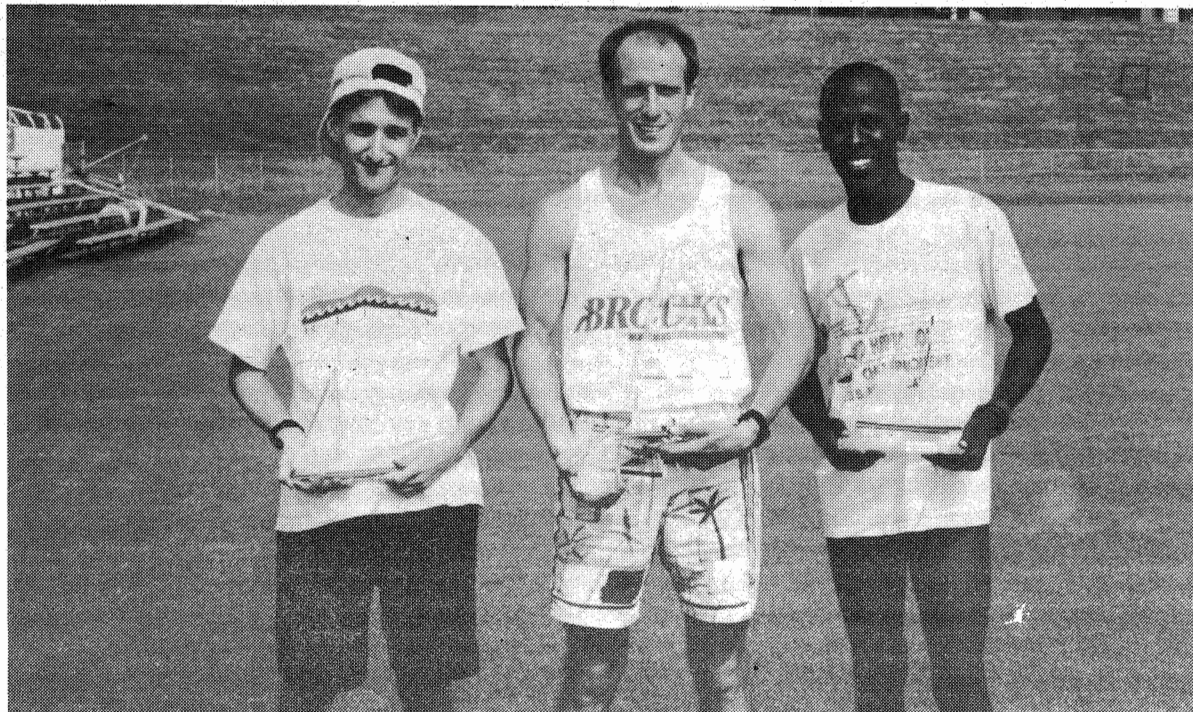

ANNAPOLIS, MD--The event goes by the name of The Maryland Premier 10 Mile Run (Sunday, August 28, 1994) in its 19th running. A record field of 4,260 was registered and 400 runners who applied after the cutoff on July 27, 1994 were disappointed.

The attraction for this year's event as Sue Briers, race director, termed it was a new and improved course. The 70 year-old bridge across the Severn River (near mile five out and 8.5 back) was replaced by an 80-foot high, curved span of steel and concrete which is 2,835 feet in length. In addition, due to construction on the grounds of the U.S. Naval Academy a few more hills were added.

The other aspect of the event was the temperature. Every year the runners are faced with heat and humidity. At 6 am the temperature was low 70s and a couple of hours into the event it was 83 degrees and the peak was 93 degrees for the day.

Now, you have the stage set - heat, hills and humidity. The Annapolis 10 miler does not put anything in you that's not already there but it will take something out of you. The event is for those who want a challenge.

The field held strong competitors for the men and women. Defending champion, Gerry Clapper was going for a consecutive win; last year's time was 52:01. The event record stands at 48:42 set in 1982

The top three males at the Annapolis 10 Miler (l to r) Mike Woodman, third, Gerry Clapper, first by Gary Siriano. The defending female winner, Donna Moore posted 1:01:01 last year. The record stands at 56:12 set in 1982 by Eleanor Simonsick. The masters record stands at 53:59 for the men which was set in 1982 by Mike Sabino and tied in 1991 by Roger Clark. The female time stands at 1:00:36 set by Rose Malloy in 1991.

and Bruce Frame, second. (George Banker photo)

The lead pack of runners diminished quickly as the pace established by Clapper proved to be unbearable. There were to be no free rides as Clapper was on a solo mission, up and over the Severn River Bridge. The following hills over the next several miles only supported the lead over the field. Clapper was unchallenged and loose. The pace was maintained on to a first place win with 52:22.

NEW COURSE, RECORD FIELD AT ANNAPOLIS

The Annapolis Ten Mile Run enjoyed its 19th running with a record field on a new and "improved" course. The course was altered, due to construction in the Naval Academy, and had to be re-routed further down Route 648 to Route 50. This added a few scenic hills, but the most significant change to the course was the inclusion of the newly opened Severn River Bridge. The bridge added new challenges never before seen in the race with its "incredible view from up there." The lead runners enjoyed the change as there were less turns and cut ins and they could better judge their position and competition at the turn around. However, many others felt the course was much more challenging.

The weather cooperated this year in producing the traditional hot and humid conditions that have come to signify the Annapolis Ten Mile Run. With a field of 4,260 runners this year, the race still turned away over 400 runners when it closed on July 27. There were 3,556 official finishers who received the special Annapolis Ten Miler finisher's jacket.

Gerry Clapper raced to his second consecutive win with a time of 52:22. Clapper, literally, ran unchallenged for the distance and held a 26 second-lead over second place Navy runner, Bruce Frame.

The women's first place finisher, Bonnie Barnard-Lopez, also ran uncontested in a time

of 1:00:02, well ahead of second place Connie Buckwalter who finished 1:01:15. Bonnie looked strong at the finish.

This year the race also honored our masters runners with overall masters awards. The men's winner James Pryde finished 53:48 and the women's was Annapolis Strider, Rose Malloy in a time of 64:25.

The wheelchair division was represented by five participants. The race was won by last year's champion, Steve Lietz, in a time of 44:48 with second place Dana Jackson finishing in 53:49.

There is no doubt the Annapolis Ten Mile Run is the most popular race on the east coast and rightfully so. The hard work of over 450 volunteers and twenty of the race committee produces the most consistently well managed race in the country. It is all done through time given and much sacrifice on the part of the race committee. My thanks to all who participated and volunteered their services.

I would also like to thank the sponsors that have contributed to the success of the race: Katcef Brothers Distributing, Snow Valley Water, Sports Medicine Center, Annapolis Publishing, Tropical Treats, Nationwide Insurance, Gatorade, Roy Rogers, Anne Arundel County Park and Recreation, Powerbars, First National Bank and Anne Arundel Medical Center were contributing sponsors.

The battle was on for second and third place with Mike Woodman of Cockeysville, MD, and Bruce Frame of Annapolis. Frame began to set some distance which solidly landed him into second place with a winning time of 52:48. Woodman settled into third with 53:48. The fourth position was captured by James Pryde of Bel Air, MD, with 53:48. The fifth position was captured by Steve Clarke of Leesburg, VA with 53:59. Clarke was the runner-up last year with 52:31.

The first masters was fourth place finisher, James Pryde with 53:48. The time established a new masters event record. The times of Sabino and Clarke are history. The second masters was David Webster of Stevensville, MD, with 56:46. Third place went to Bennett Beach of Bethesda with 59:12.

The female winner fell into the foot steps of Clapper. Bonnie Barnard-Lopez of Bethesda was unchallenged for the entire event and clocked a 1:00:02. The second position went to Connie

INA POLIS 10 MILER

Buckwalter of Lancaster, PA, with 1:01:15. Third went to Liz Scanlon of Alexandria, VA, with a 1:01:28. Last year's winner Donna Moore clocked a 1:04:15 for seventh place.

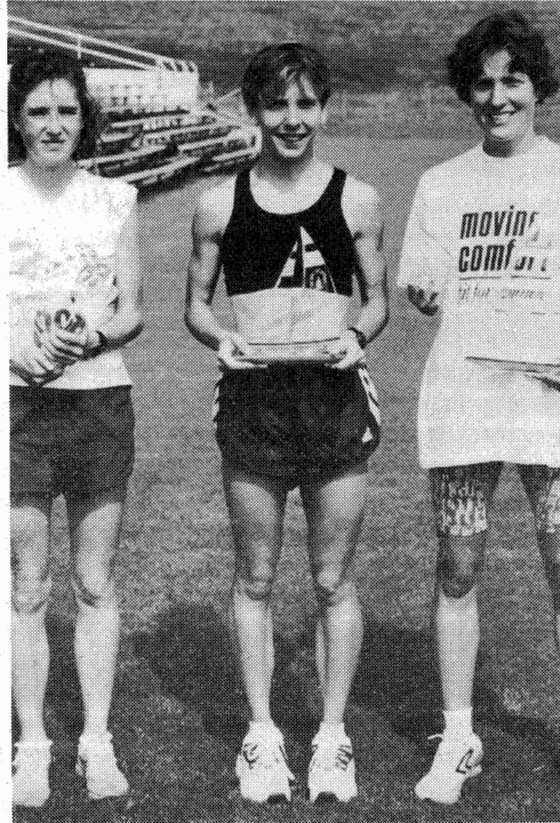

The leading female masters was Rose Malloy of Annapolis with 1:04:25 (eighth place). Second was captured by Joyce Adams of Reston, VA with 1:06:29. Claudia Ciavarella of Arlington, VA was third with 1:08:02.

This year's event was the Road Runners Club of America (RRCA) State Championship Ten Mile Run. The male award was captured by Gerry Clapper and Bonnie Barnard-Lopez for the females.

The third annual Pat O'Brien award was captured by Rose Malloy. This was a second win for Malloy. The award is to honor the memory of Pat O'Brien and it is presented to the first female resident of Anne Arundel county.

To reflect the performance of masters runners there was a special award presented to James Pryde and Rose Malloy.

The defending wheelchair champion Steve Leitz rolled to a 44:48 win. The second position went to Dana Jackson with 53:49 and third went to Eddie Betton with 1:12:24.

The top three females (l. to r.) Liz Scanlon, third, Connie Buckwalter, second and Bonnie Barnard-Lopez, first. (George Banker photo)

First female masters and Pat O'Brien Memorial award winner Rose Malloy. (George Banker photo)

RUNNERS GAZETTE OCTOBER 1994 PAGE A-24

Table with 4 columns: Name, Bib Number, Time, and Name. Lists runners and their performance times across multiple columns.

Table of race results for the 30-34 age group, listing runner names, bib numbers, and times.

Age group winners of the female 30 - 34 division (l.) Robyn Humphrey, third and (r.) Leslie Minnix-Wolfe, first. (George Banker photo)

Continuation of race results for the 30-34 age group, listing runner names, bib numbers, and times.

FEMALE FINISHERS RESULTS

Summary table of female finishers results, including names, bib numbers, and times.
